

Achievements

in 2005

75% of all students' A Level grades were A or B

33% of all A Level students achieved AAA or better

6 students gained places at Cambridge University

17 students gained places at The London School of Economics

16 students gained places at Imperial College, London

Outstanding achievements

Once more we are celebrating our best ever results

Bellerbys College consistently produces international students who are capable of winning places at the UK's very best universities and this year is no different. Our students have once more won prestigious places at the best academic institutions. Many have achieved three or four A-grade A Levels: remarkable achievements. They will now begin their university lives equipped with the skills, knowledge and confidence they need to truly excel. These exceptional results are a direct reflection on the outstanding teaching, pastoral care and facilities we offer – coupled with the hard work and dedication of the students themselves. At Bellerbys College we are more than just an international academic community: we are a community of success.

A Levels

A Level results in 2005 were typically excellent. 65% of our A Level students progressed onto undergraduate degree studies at the UK's top 20 ranked universities.

- ▶ 75% of all students' grades were A or B
- ▶ 33% of all students achieved AAA or better
- ▶ 6 students gained places at Cambridge University
- ▶ 17 students gained places at The London School of Economics
- ▶ 16 students gained places at Imperial College, London

2005 Results

This year, Bellerbys students - across all UK centres - achieved first-class A Level results, proving yet again that Bellerbys College is the very best route to a top UK university for international students. Meanwhile, our GCSE students achieved the grades they needed to progress on to more advanced studies.

Exceptional success

at the UK's top college for international students

In 2005, Bellerbys students achieved their best results ever. One third of all Bellerbys students – across all four centres – achieved three A grade A Levels or better. Hundreds of Bellerbys students have now gone on to attend the UK's top universities, including Oxford, Cambridge and the London School of Economics.

Foundation

- ▶ Over 400 students gained university degree places
- ▶ 25% of all students went on to study at the UK's top 20 universities
- ▶ 15% of all Foundation students achieved distinctions (75% and above)

Pre-Masters, Masters Qualifying Programme and Business Degree

- ▶ 100% of Pre-Masters & MQP students were placed on university Masters programmes – many at top universities
- ▶ Another year of happy Business Degree students; all graduating in a shorter time than they would have done at university

Yuko Sumida
 Japanese student, Yuko studied the Business Foundation programme at Bellerbys College. She said, "I think it's very important for students to study abroad at an international college like Bellerbys. While at Bellerbys I realized that learning English is so important because it's the universal language and it means we can all communicate with each other. I had a wonderful experience!" Yuko went on to win a place at the University of Kent at Canterbury where she is now studying for a degree in Accountancy and Finance.

Alex Klimentov
 Alex is from Russia. Alex successfully achieved three A grade A Levels while studying at Bellerbys College Brighton. He said of his time at Bellerbys, "I was very grateful indeed for all the help the teachers at Bellerbys gave me. Being able to practise my English was great. I learned listening techniques, speech patterns and all sorts of English skills." Alex went on to win a place at the coveted Trinity College, Cambridge to read Maths.

2005 Results

The Foundation programme is an alternative to the A Level university route, and in 2005 Bellerbys Foundation students excelled once again. This intensive, fast-track to academic success enabled 95% of students to achieve their dream of attending a top UK university.

University destinations

real preparation, real results, real success

Bellerbys prepares students thoroughly so they can excel at university. We maximize the potential of every one of our students, helping them to achieve a place at the kind of university which would be out of reach through less rigorous preparation. This is why, year on year, our results are consistently so exceptional. From Oxford and Cambridge, to the newer, progressive institutions, universities choose Bellerbys students because they know they are prepared for success.

- ▶ 6 students went to Cambridge University
- ▶ 17 students went to The London School of Economics
- ▶ 100% of Pre-Masters and MQP students were placed on university Masters programmes - at some of the UK's top institutions

In 2005, our students won places at the following universities:

- ▶ University of Cambridge
- ▶ Imperial College, London
- ▶ London School of Economics
- ▶ University of Warwick
- ▶ University College, London
- ▶ University of York
- ▶ University of Durham
- ▶ University of St Andrews

2005 Results

At Bellebys College, programmes are designed to fast-track students toward their university degrees. Bellebys also enables those students wishing to study their Masters at university to enjoy accelerated study programmes. In 2005 we continued our excellent success in ensuring degree and post-degree students achieved their goals.
