

## Oxford

The ancient buildings of Oxford's famous university create a wonderful atmosphere throughout this beautiful city. There is so much of interest to see. Students can wander through the Ashmolean and Pitt Rivers museums or shop in Oxford's famous covered market. There is also the opportunity to picnic on nearby Christ Church meadow or take a punt onto the river.

Oxford also boasts a wealth of cultural attractions such as theatres, cinemas and museums. Just a short distance away lie several beautiful villages to explore.

A world-famous academic city

### The college

Our centre is located in a pretty tree-lined square in the very centre of old Oxford, next to the many famous colleges. The High Street and all of Oxford's attractions are only a few minutes walk away. There are two buildings very closely situated, which offer refurbished classrooms, student common room and a study centre with a library, computers and videos.

### Accommodation

#### Homestay

As the Oxford campus is located in the very centre of the city, our host families here tend to be a little further away from the campus than normal. Most host families are a short bus or cycle ride away.

#### Residential

All residential accommodation available for Bellerbys students in Oxford is self catering. There is a limited amount of self catering ensuite accommodation on site with a further residence 10 minutes walk from the college.

### Facilities include:

- 12 refurbished classrooms
- Common room with drink/snack facilities
- Self-study centre
- Free email and internet access
- Modern well equipped computer suite
- Warm and friendly staff
- Student Service Unit
