# Excursions

A LSC staff member supervises all excursions

We offer a wide range of exciting excursions that will introduce our Summer School students to British culture, the wonderful city of London, and to other world famous places of interest.

## Half-day excursions

Our Fulham summer school students will take part in half-day excursions from Monday to Friday, that will begin at 1.30pm after morning lessons and lunch at LSC / Fulham.

## Full-day excursions

At the weekends, students will take part in full-day excursions on Saturdays, that will begin from LSC at 9am.

## And another thing...

The excursions are an important part of the overall student experience.

We expect all students to attend all of the excursions, together with their group leaders
